No alcoholic beverages will be allowed on the test grounds.

Yankee Golden and NEFCRC invite ALL to a potluck cook out to be held during the awarding of rosettes to those dogs who qualify. Yankee Golden is generously providing paper products, hamburgers, hot dogs and condiments. We would appreciate all handlers bringing appetizers, salads and desserts to share. Raffle items/baskets to help offset the cost of the cookout would be greatly appreciated. We hope that all will stay to enjoy the tailgate and the camaraderie with fellow handlers and workers.

Important Request for Your Cooperation

While using the property at West Thompson Lake, keep in mind that we do not have exclusive use of this area for our test. Other people and dogs may be hiking through. Be cordial and be sure to keep your dogs under control at all times. Observe the 10 mph speed limit (it is enforced!). Do not leave ANY litter behind and be careful with matches and smoking materials.

Effective immediately

The GRCA board is now requiring entries in the WC/WCX and CCA to send a copy of the dog's AKC/CKC registration with their entry forms. This is due to errors on entry forms with the spelling of dog's name, AKC number, etc. The yearbook staff has to verify the dog's and their sire and dams for accuracy, and by submitting a copy of their registration, it will help immensely.

Event secretaries will send a copy of the AKC registration of all **Goldens passing** the WC/WCX test with the events final report to their WC/WCX regional representatives
